HAPPY NEW YEAR! 2010

In January the Partridge Inn celebrates 100 years!

The Partridge Inn, a landmark of Southern style and hospitality in Augusta, Georgia, will mark a century of service on January 8, 2010. This historic hotel has stood the testament of time and continues to be an Augusta landmark. Over the past century, we have celebrated many milestones, from hosting presidents to sharing special occasions with generations of families.

We invite you to share your favorite memories from past visits to the hotel as we commemorate this wonderful milestone. Whether the memory is funny, romantic or unusual, the top three will be awarded prizes from the Partridge Inn. Winners will be announced and invited to the anniversary celebration in January 2010. We will be taking your memories throughout the year of 2010.

Take A Scroll Down Memory Lane

It was a Saturday evening and my boyfriend told me we were going to dinner that night but the restaurant was going to be a surprise. When we showed up at the Partridge Inn I was definitely surprised. I remember him talking to the front desk attendant before we went to the restaurant upstairs (The Verandah Grille) which I thought was a little odd. We went upstairs and had a very nice meal with great wine and a gigantic dessert that looked like a big Reese's cup! We decided we would stay in the bar to enjoy the jazz music that night. My boyfriend excused himself to the restroom for a bit and return to say he wanted to show me something. We took the elevator downstairs and started walking down the hall towards a hotel room. This is when I started thinking something weird was going on and when he stopped to open the door I knew something was up! He opened the door to a beautiful suite with champagne and chocolate covered strawberries laid out on the table. I was admiring the dessert spread and when I turned around I found him holding a ring and he asked me to marry him! Partridge Inn will always be a special place to me because of this event and I truly appreciate their efforts to make the night special. - C. Address

Every Master's week, the porch of the PI is the place to be!!!
Ahh, the many memories . . . - N. McLeod

My husband and I live on Hickman Road . . . and you can imagine all of the excitement when the PI announced they were refurbishing and would paint the outside of the property! Good grief . . . were we ever surprised when we saw the beautiful pink walls . . . all of a sudden turn sunny yellow. But over the years we have grown to accept the "change" at the PI . . . and whenever we return to Augusta (whether it's been for one night or a week . . . or longer)... we always feel at home when we turn the corner on Hickman Road and welcomed by the PI - K. Dimmock
