**This week we welcomed Augusta's Finest -
Mike Young of the EMS/EMT Fire
Department**

Emergency: 9-1-1

Why We Use Fire Trucks

When a life threatening medical emergency arises, the Augusta Fire Department is here to help. Some may wonder why a fire truck shows up when they called for an ambulance. Our trucks are staffed with trained First Responders, Emergency Medical Technicians, and Paramedics.

Once the [9-1-1 Center](#) determines that a call for help is life-threatening they dispatch the closest fire truck along with the ambulance. With 19 fire stations strategically placed throughout the community, we can get to your crisis quickly and, in most cases, in half the time it takes an ambulance to respond.
