Kiwanis of Uptown Augusta

Volume XXVIII, Issue 48

Dec 2nd 2008

This week we celebrated fellowship and fun @ Pinetucky – a few stalwarts participated in the Skeet Shoot thanks to Marion Butler and Nelson Hamilton members of Pinetucky

Military Applications - While the sport has significant pleasure and competitive roots, there are also practical associations of importance that skeet shooting provided. During the Second World War, gunners used skeet shooting as a training tool to prepare military gunners. Through practicing the sport, they were able to improve their leading and timing on targets in the air.

Thank you to Jeanne Lee, Beth Lee and Clara Claussen for providing the delicious side dishes of scalloped potatoes, tossed green salad and breads and desserts – thank you to Lansing Lee III for providing the delicious steaks to add sizzle to the skeet shoot! A great time was had by all.

Pinetucky has five (5) fully equipped skeet fields. We are affiliated with the National Skeet Shooting Association (NSSA) and conduct two (2) registered skeet tournaments each year. Our tournaments have routinely made the NSSA list of the top 100 tournaments in the county. We are proud of the fact that our members have gained state, regional, and national recognition for their proficiency in this sport.

The history of skeet shooting begins back in 1915 when a frequent grouse hunter named Charles E. Davies investigated the idea of improving field shooting.
