Volume XXIX, Issue 23

June 9th 2009

This week we welcomed Dr Andrew Hauger

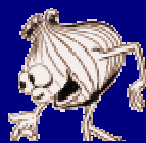

In 2004, Dr. Hauger became the director of the university's Honors Program where he was charged with advising, recruiting, and assisting Honors students with their schedules. chair of the Department of Chemistry and Physics.

"As chair, I hope to increase the amount of student involvement in research which is important for retention. I'd also like to add some new courses to attract more students to our major," says Dr. Hauger. "We also would like to pursue American Chemical Society (ACS) accreditation for our chemistry program."

And, he hopes to get more students interested in physics. "It's a tough major to sell," Dr. Hauger says. "It's not obvious to people that it is good to have a background in physics. It's good for lawyers, people in the medical field, etc. It's used everywhere."

We still have about 70 bags of Onions at Acura, they are doing their best to keep them fresh GO THERE! PICK THEM UP! SELL THEM! Many members have picked up NO BAGS - lets all participate and make this last leg a success.
