Augusta Canal Authority

Explore the nation's only industrial power canal still in use for its original purpose. Built in 1845 to harness the water and power of the Savannah River, the Augusta Canal offers history, recreation and unique experiences along its 8.5 miles of towpath and waterway.

Enjoy the Augusta Canal on foot, by bicycle, canoe or kayak. Fish from the banks, watch for wildlife or relax on a guided tour aboard a replica canal cargo boat.

Encounter the people who built the canal and learn about the progress, problems and promise of its century-and-a-half history at the Augusta Canal Interpretive Center at Enterprise Mill.
