This week welcomed Dr. Grant Scarborough Christ Community Health Services

Christ Community Health Services

Christ - Our motivation at Christ Community is based on Christ's love and his calling for our lives.

Community - Building community among our staff, patients, neighbors, supporters and fellow workers in downtown Augusta is of utmost importance to us. If you are interested in what God is doing at CCHSA please call or visit and let us get to know you. We would love to serve you in any way possible that is consistent with our Mission.

Christ Community Health Services

Augusta - We are a Christian non-profit organization dedicated to proclaiming Christ and demonstrating his love by meeting the physical, emotional and spiritual needs of the underserved in Augusta, GA. Our primary method for reaching this goal is by providing affordable high-quality primary healthcare.

Founded in 2007 by physicians Robert Campbell and Grant Scarborough, our operation is based on the successful model of our sister clinic Christ Community Health Services in Memphis, Tennessee.

How to Schedule an Appointment as a New Patient:

Call the clinic at (706) 922-0600 or simply come by our office. To make your visit as quick as possible we have put our Intake form and medical history form on our website. (The links are below.) Please print these forms, fill them out and bring them with you to your appointment.

Paying for Your Care:

While we are a non-profit health clinic, we are not a free clinic. Uninsured patients are welcome and will be put on a sliding fee scale

starting at \$20.00.

The prices on the fee scale vary based on your income and the size of your household.

If you apply to the sliding fee program, you will need to bring proof of income on your first visit.

We are also open to Medicaid and Medicare patients and accept most insurance plans.
